

F. No. K-11020/217/2018-UIDAI (Auth-I)

Government of India
Ministry of Electronics and Information Technology
Unique Identification Authority of India

3rd Floor, UIDAI HQ Building,
Bangla Sahib Road, Behind Kali Mandir,
Gole Market, New Delhi - 110001

Dated: 16th May 2018

CIRCULAR No. 05 OF 2018

Sub: Classification of Global AUAs and Local AUAs.

With increasing use of Aadhaar number as an identity document, it is important to ensure security of Aadhaar numbers. Therefore, collection and storage of Aadhaar numbers by various entities needs to be controlled to address privacy concerns.

2. In this regard reference is invited to this office circular no. K-11020/217/2018-UIDAI (Auth-I) dated 10.01.2018 wherein the process of Virtual ID, UID Token and Limited e-KYC was described in detail. It is clarified that VID and UID Token are aliases of Aadhaar number and therefore can be used in lieu of Aadhaar number in most cases. Moreover, use of VID and UID Token provide more secure data usage and storage solution. It was also mentioned that UIDAI will categorize all AUAs (includes KUA wherever applicable) into two categories - Global AUAs and Local AUAs. Only Global AUAs will have access to full e-KYC with Aadhaar number, while other entities viz. Local AUAs shall have access to Limited e-KYC and will not be allowed to store Aadhaar number. UIDAI has already provided new API v2.5 documents for implementation of Virtual ID, UID Token and full / limited e-KYC.

3. **Global AUAs:** There are certain AUAs which are mandated by specific laws or regulations to authenticate their customers with Aadhaar number. With few exceptions, in general such entities fall under categories 1 and 2.1 of Schedule A of Aadhaar (Authentication) Regulations, 2016. There could however be some entities which though might be required by a law or Regulation to verify their clients with Aadhaar number but may not have requisite security systems required for using and storing Aadhaar numbers. Such entities have therefore been precluded from the list of Global AUAs. The Global AUAs shall ensure the following:

a. Global AUAs will be allowed to store Aadhaar numbers in their database through data vaults only. They will have to strictly comply with the provisions of Aadhaar Act, Regulations and various instructions issued by UIDAI from time to time which inter alia require setting up of Aadhaar data vault, HSM, timely submission of security audit report of their systems to UIDAI etc. Any non-compliance would result in cancellation of their license key and termination of their Agreement.

Y
16/5/2018

b. Global AUAs shall determine applications which do not require Aadhaar number and in that case, they should use only VID with UID Token and avoid using Aadhaar number. This will help them avoid setting up Aadhaar Data Vault as they would not be storing Aadhaar number.

c. UIDAI from time to time will evaluate AUAs and based on the requirements may re-asses the list of Global AUAs and stop providing Aadhaar number in the response of e-KYC.

4. **Local AUAs:** The AUAs which are not mandated by law to verify their clients with Aadhaar number or which are not in a position to ensure security of Aadhaar numbers in their database or which do not have enough justification to authenticate identity through Aadhaar numbers have been classified as Local AUAs. Local AUAs must use VID for performing OTP based authentication. They may however use Aadhaar number for biometric authentication. They shall not be allowed to store Aadhaar number in their databases.

5. AUAs so far classified as Global/Local AUAs have been shown in Annexure I. Remaining AUAs are requested to provide the information as per Annexure II. These AUAs will be classified later after evaluation of the information submitted by them.

6. The AUAs shall make necessary changes in their authentication systems for use of Virtual ID, UID Token, and Limited e-KYC. As per this office circular dated 1.05.2018, all AUAs shall have to fully migrate to the new system by 1.07.2018, failing which their authentication services will be discontinued and financial disincentives will be imposed.

Enclosed: Annexure I & II

Yashwant Kumar
