

Direct Benefit Transfer (DBT)- Phase II

Enrolment of beneficiaries under NPR

Dr. C. Chandramouli
Registrar General & Census Commissioner, India
Ministry of Home Affairs

DBT in districts covered by NPR

- Out of the 78 districts selected for DBT Phase II, the biometric enrolment is to be undertaken by RGI in 33 districts.
- These 33 districts are spread over 11 States/UT.
- In 19 out of 33 districts, considerable progress has been made in biometric enrolment under NPR (> 75%).
- In 14 districts, the enrolment process has commenced recently.

Coverage of BME in 19 districts under NPR

Sl. No.	State	District	% BME completed
1	Kerala	Palakkad	88.10
2		Kottayam	84.53
3		Idukki	79.36
4		Kannur	73.12
5	Puducherry	Yanam	81.82
6	Andhra Pradesh	Srikakulam	79.39
7		Vizianagaram	88.09
8		Kurnool	77.28
9		Nalgonda	78.26
10	Tamil Nadu	Ariyalur	78.63
11		Pudukkottai	74.32
12		Tiruchirappalli	75.83
13	West Bengal	Coochbehar	76.11
14		Howrah	81.81
15	Odisha	Balangir	82.32
16		Puri	84.15
17		Cuttack	76.99
18		Sonapur	73.74
19	Lakshadweep	Lakshadweep	87.04

Coverage of BME in 14 districts under NPR

Sl. No.	State	District	% of BME completed
20	Uttar Pradesh	Etawah	10.51
21		Chitrakoot	1.93
22		Sant Kabir Nagar	1.96
23		Shraswasti	3.0
24		Rae Bareilly	2.93
25		Sultanpur	1.02
26	Uttarakhand	Bageshwar	5.99
27		Champawat	8.10
28		Tehri Garhwal	2.39
29	Chhattisgarh	Dhamtari	13.41
30		Koriya	11.30
31	Bihar	Arwal	3.24
32		Sheohar	1.28
33		Sheikhpura	0.84

Biometric enrolment in 33 districts

- A Consortium of Central Public Sector Undertakings (CPSUs) viz. BEL, ECIL and ITIL have been entrusted the primary responsibility of biometric enrolment for NPR.
- The States/UT have been allocated to these CPSUs.
- Under NPR, the biometric enrolment is continuing in these States; In some of the 19 districts, the first round of BME has been completed and 2nd round is under progress.
- Besides the regular BME camps, special arrangements have been made for enrolling beneficiaries on a priority basis by setting up centres at the Tahsil/ Taluka/ Blcok.

Process for DBT

Scenario - 2

Scenario - 3

Setting up of enrolment camps at each Tahsil/Taluka/Block

- The three CPSUs viz. BEL, ECIL and ITIL has been assigned the work of enrolment
- In these 33 districts in 11 States/UT, there are 390 Tahsils
- In each Tahsil, a set of biometric kits alongwith certified operator/supervisor and representatives from CPSUs and Directorate of Census Operations are to be provided.
- Till date, biometric enrolment camps have been set up in all the Tahsils with 2 to 5 sets of equipments, which may be increased as per demand

Digitised list of beneficiaries under various schemes of DBT

- The digitised database of the beneficiaries under various schemes need to be provided before the enrolment process begins.
- The list should contain minimum few information regarding the beneficiaries like Name, father's name, gender, date of birth and present address.
- NIC has already defined the data fields based on which the list will be prepared.

Preparation of village schedule for enrolment

- Village wise schedules are to be prepared in consultation with the District / Tahsil Administration.
- Villages in the Tahsil may be grouped into zones and each zone assigned to a specific enrolment team.
- The micro plans would be prepared accordingly.
- The responsibility of bringing the beneficiaries to the enrolment camps would rest with the District/ Tahsil administration

Way ahead

- The DMs/ Collectors shall nominate a Nodal Officer for all matters pertaining to DBT.
- The Nodal officers should ensure to bring beneficiaries to the Tahsil for biometric enrolment as per micro plan
- Each of the beneficiary should be properly identified by designated officials of the Tahsil/ District.
- The enrolment packets would be uploaded to UIDAI for early processing of the data for generation of Aadhaar number of the beneficiary
- Close coordination will be required among the District/ Tahsil Office/DCOs and CPSUs for making the program a success

Process of enrolment of beneficiary

- The beneficiaries would be asked to bring the enrolment ID slip or the Aadhaar letter, if enrolled earlier
- The e-ID number / Aadhaar number would be seeded in the digitised beneficiary database
- If a beneficiary does not have the e-ID number / Aadhaar number, she/he would be freshly enrolled in NPR by filling up of the schedule duly certified by Government official
- The data in the filled in schedule will be digitised
- The biometrics will be collected and the e-ID number would be seeded in the beneficiary database
