Direct Benefit Transfer

21st November, 2016
Agenda

- Direct Benefit Transfer
- DBT Enablers
- DBT Implementation in NE States
- DBT Bharat Portal
Direct Benefit Transfer
Direct Benefit Transfer

- Major reform in Government’s benefit design & delivery mechanism
- Envisages transfer of cash / benefits directly to beneficiaries
- Universalised to include all welfare and subsidy programs of GoI
- Helps in developing a targeted & effective Social Security Net
- Will redefine the Government-to-People interface
DBT : The Game Changer

D
Directly into the hands of the beneficiary

B
Benefits include Cash, In-Kind & Other Transfers

T
Transfers made electronically / upon authentication
# Expanded scope of DBT

## Cash Transfer to Individual Beneficiary

*E.g: PAHAL*

- Subsidy Schemes
- Welfare schemes with Cash Components
- Stipends & Scholarships
- Cash Awards for excellence
- Pensions & Cash Benefits

## In-kind Transfer to Individual Beneficiary

*E.g: PDS*

- In-kind goods / products
- Training & Skills Development

More examples
- Mid-day Meal
- Swachh Bharat
- Digital Saksharta Abhiyan

## Other Transfer/Processes

*E.g: ASHA*

- Payments to service enablers
- Payments to third parties for providing services

Examples
- Aanganwadi workers
- NGOs

All Districts
NREGA (300 Districts)

Feb, 2015
All Central Schemes
All Districts

Mar, 2016
DBT Scope Expansion
Cash, In-Kind, Other Transfers

Oct, 2016
78 Schemes on DBT
Aadhaar Bill Passed
DBT Enablers

Aadhaar as unique identifier
• Enables targeted beneficiary identification
• Helps in weeding out bogus beneficiaries through De-duplication
• Allows for transfers viz. demographic / bio-metric authentication
• To act as financial address and facilitate seamless financial transaction

Banking Facilities
• Enables Cash-In & Cash-Out facilities for beneficiaries
• Emerging solutions – Banking Correspondents, Payment Banks, e-Wallets, RuPay card, Mobile Banking
• IT enablement (e.g. Micro ATM & ePOS) help in ‘banking the unbanked’

Network Infrastructure
• Good Quality & Reliable network connectivity *sin qua non* for DBT transactions in rural and remote areas
• IT systems enabling effective monitoring & information dissemination to beneficiaries
DBT Implementation in NE States
DBT Implementation in NE

> **State DBT Cell**
  - 5 States have already created State DBT Cells
  - DBT Cells yet to be formed in Mizoram, Tripura & Sikkim
  - States to play a crucial role in DBT implementation in CS and CSS
  - DBT onboarding for State run schemes

> **Aadhaar Seeding & Digitization of Beneficiary Database**
  - Strengthening IT systems to digitize beneficiaries
  - Aadhaar seeding of beneficiary database
  - Capturing Aadhaar seeded Bank Accounts for beneficiaries

> **Scheme Code Generation for DBT Applicable – State Schemes**
DBT Implementation in NE

> **Public Finance System**
  - Create eEFMS at state level and link to PFMS, or
  - Onboard scheme on PFMS

> **Benefit Transfer**
  - Fund transfer using Aadhaar Payment Bridge (APB) & Aadhaar Enabled Payment Systems (AEPS)
  - In-Kind transfer using Aadhaar as an identifier

> **Creation of a State DBT Portal and integration with DBT Bharat**
Key Issues in the NE

- Overall low Aadhaar enrolment and low seeding in beneficiary DB, viz Arunachal Pradesh, Assam, Meghalaya, Manipur, Mizoram, Nagaland.
- Considerable progress made in Tripura and Sikkim

- Poor banking network reported in Inter-State Council Meeting (16 July ’16) viz Meghalaya, Mizoram, Arunachal Pradesh & Nagaland

- Poor network connectivity reported in Inter-State Council Meeting (16 July ’16) viz Assam, Mizoram, Arunachal Pradesh & Nagaland
  - Only 3% of 11,310 GPs in the NE connected under BharatNet as yet
Online Resources

- Descriptive Document on DBT
- Standard Operating Procedure for all categories of Central Schemes under DBT
- Guidelines for State DBT cells

(available on DBT Mission’s website https://dbtbharat.gov.in under documents)

- DBT Flyer (available in English and Hindi versions)
DBT Bharat Portal

https://www.dbtbharat.gov.in
